REMARKS

To order a boat a deposit of £150 is required. This will ensure a firm delivery date.

As these quotations refer largely to goods bought in the prices may vary from those quoted. All items will be charged at the rates ruling at the time of delivery. The prices apply to extras delivered with the boat. For items ordered later carriage will have to be charged.

IMPORTANT We very much regret that, once the hull has been laid, we cannot add to the list of extras any items which require fitting. To do so not only delays one boat but all other boats on the shop floor.

TERMS OF SALE. On standard Contract terms as authorised by Ship and Boat Builders' National Federation. Should the items listed as standard not be available at the time of production it may be necessary to fit similar parts manufactured by another concern.

THIS PRICE LIST CANCELS ALL PREVIOUS LISTS.
