

# The Westerly Fleet. The Magnificent Seven for windward cruising.

The new Merlin 28 and Seahawk 34 have joined the Westerly fleet to give you the widest choice of pedigree yachts.

Both designed by Ed Dubois with computer researched hulls that make point to point cruising and racing a straight forward affair.

Hull designs that deliver directional stability on all points of sailing to make handling a real pleasure, not hard work.

Naturally, the Westerly craftsmen have combined these qualities with the comfort, luxury and living space that is the hallmark of a Westerly yacht.

Quality fittings and hand built teak joinery combined with Lloyds Hull Construction Certification set a standard that has been recognised by more than 10,000 owners.

So, if you are considering a new yacht between 26 and 39 feet, phone Westerly or any dealer and test sail true seacraftsmanship.

Fulmar 32, 1st in Class Round the Island 1981  
1st in Class Round the Island 1984
