

The new Westerly Merlin and Seahawk are coming!

Two new Ed Dubois designs, hot off the drawing board, are coming your way.

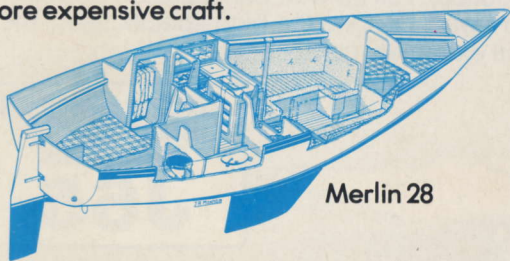

With computer researched hulls that give directional stability and exciting performance on all points of sailing.

Below decks the Seahawk 34 offers the luxury of an owners aft cabin (that's more like a stateroom) with the comfort of its own en suite wash basin and handmade furniture throughout that compares with many custom-built yachts.

Seahawk 34

The Merlin 28 has 3 separate cabins, super galley and fixed chart table. And a stylish blend of teak and ash sets the standard for more expensive craft.

Merlin 28

Both have the quality fittings and finish that is the hallmark of all Westerly yachts plus Lloyds Hull Construction Certification.

And both can be seen on Stand F8 at the Southampton Boat Show. Or, phone Westerly or any dealer and experience the art of true seacraftsmanship, now.
