Beam	8.0 ft	2.4 m
Draught	4.0 ft	1.22 m
Weight	4100 lbs	1859 kg
Ballast	1900 lbs	862 kg

GENERAL DESCRIPTION

The Kendal is a fin keel version of the well known Westerly Pageant which has proved over the years to have an excellent performance for a twin keel boat. The introduction of Kendal now means that the cruising man with a preference for fin keel can enjoy the qualities of Pageant, which were recognised in 1976 when she became joint winner of the Yachting World "One of a Kind" rally.
