Cushions

SHIP'S NAME**CLUB**

As these quotations refer largely to goods bought in, the prices may vary from those quoted, and all items will be charged at the rates ruling at the time of delivery. The prices apply to extras delivered with the boat. For items ordered later carriage will have to be charged. No extras which involve structural alterations can be fitted after delivery.

IMPORTANT We very much regret that, once the hull has been laid down, we cannot add to the list of extras any item which requires fitting. To do so delays not only one but all other boats on the shop floor.
