31' (sloop)	24'	9' 6"	4' 6"	442 sq. ft.	8400 lbs.
9.5m.	7.3m.	2.9m.	1.38m.	41.1 sq. m.	3800 Kg.

Longbow is a large fin keel cruiser designed by Laurent Giles & Partners to give the sailing family considerable comfort. She will appeal to those who want to go on extended cruises, for she is a big boat for her length and has exceptional roominess. Longbow is available as a sloop or a ketch. Options available include pressure water system, wheel steering and 36 h.p. diesel engine.
