Press information

WESTERLY TO ATTEND INTERNATIONAL BOAT SHOW AT DUSSELDORF

Westerly Yachts are to show their new luxury 35-foot deck saloon cruiser - the Riviera - at the International Boat Show in Dusseldorf.

The Riviera is designed by Ed Dubois to combine two roles - sailing performance with powerful and comfortable cruising ability. The Riviera is equipped with a 28 h.p. diesel engine and built to Lloyd's Hull Construction Certification. The carefully thought out deck and cockpit layouts, in-mast furling mainsail and rolling reefing genoa, ensure that the Riviera can be happily handled by a crew of two in all conditions.

Below the Riviera has a spacious fully carpeted Owner's cabin with a double berth, large ensuite heads with shower served by pressurised hot and cold water. The aft cabin, also carpeted, has twin berths which can be converted to a double.

The main feature of the deck saloon is the all-round visibility from large, well-styled windows. There is an internal helm position to starboard of the centre line with instrument console and chart area. A luxury wrap-round settee is positioned to port with a table that lowers to convert to an additional double berth. The cabin sole is teak and holly, which, with all the furnishings throughout the Riviera, reflect Westerly's high standards of finish and craftsmanship.

more/.....

The large galley to starboard has tiled work surfaces, twin stainless steel sinks, 2 burner gimballed cooker with oven and grill, ice box and plenty of storage space.

Specifications:

LOA	10.54m
LWL	8.38m
Beam	3.74m
Draft Fin	1.42m
Draft Twin	1.34m
Displacement	6900kg
Mainsail	22.5m ²
Genoa 120%	32.5m ²

Other models on display

Westerly will also be showing a new one-foot longer version of the Seahawk, and it is also planned to show their very successful 31-foot Tempest and the flagship of the Westerly range, the 41-foot Oceanlord introduced in 1987.

Westerly dealers in Germany are Mr E. Schaeffler, Yachtzentrum, Hamburg, Hein-Sass Weg 16, 2103 Hamburg 95 and recently appointed - Mr G. Mohr, Haupt-Yachting GmbH, An Der Mainbrücke, 6095 Gustavsburg/Mainz.

Blue antifouling. Bronze seacocks & underwater skin fittings. Self draining cockpit. Bilge pump. Cathodic protection.

LLOYD'S HULL CONSTRUCTION CERTIFICATE

HULL AND DECK CONSTRUCTION

HULL

Hand-laid in our workshop using the best quality chopped strand mat and bi-axial reinforcement material under carefully controlled conditions of temperature and humidity. A Lloyd's Hull Construction Certificate is supplied as standard. The entire hull is stiffened and supported by stringers, frames and floors.

The hull colour is white with moulded in blue trim lines.

DECK

Hand-laid using a mixture of chopped strand mat and uni-directional reinforcement with extra reinforcement in areas of high stress, such as the chainplate area. The coachroof and sidedecks are of a GRP/high density foam sandwich construction which gives great resistance to flexing as well as sound and heat insulation. Additional reinforcement is incorporated into the foredeck. Reinforced pads under deck fittings where appropriate.

RUDDER

Solid 2 1/2" (63.5 mm) diameter stainless steel stock of 316 specification with a welded stainless steel plate forming the core of the rubber blade.

KEEL

Solid cast iron drilled and tapped to take 316 grade stainless steel studs of 20mm. diameter. Each keel stud is secured by a nut and the load is spread evenly by the use of 316 stainless steel diameter washers.

CATHODIC PROTECTION

Zinc anode fitted and wired to stern gear. 'P' bracket and engine water inlet.

TERMS OF BUSINESS

- 1 A £500 deposit and the Purchaser's signature upon this specification form reserves a boat at the current price pending preparation of a contract by Westerly Yachts Limited. This specification is not the contract and the deposit is returnable to the Purchaser if a contract is not signed.
- 2 One third of the total price, less the initial £500 deposit payable upon signature of the contract. When the contract is signed by the Purchaser and returned a delivery date will be confirmed and the contract will be signed by Westerly Yachts Limited.
- 3 The balance outstanding is payable ten days before completion of the boat at the factory. The boat as described to specification and standard inventory is liable to change according to availability of bought in and manufactured supplies. Some items shown in photographs are not included in the standard price.
- 4 For other conditions see our standard Terms and Conditions of Sale which are printed on the final page of the Order Form.
